REFINED WHITE-GLOVE SERVICE
FROM YOUR BUTLER

Relax with *il servizio attento dei nostri Maggiordomi* – the attentive service of our Butlers. Upon arrival, a Butler will escort you to the MSC Yacht Club priority check-in, take care of your luggage and whisk you to our private Concierge reception area. Here, you will be greeted by the welcoming smiles of our Head Butler and staff, offering champagne and canapés, before your Butler escorts you to your suite. Would you care for assistance in unpacking? Shoes shined? Your favorite newspaper delivered each day? Your Butler is at your service around-the-clock, as you wish. You can even indulge in the timeless tradition of Afternoon Tea served by Butlers in the Top Sail Lounge. Relax with a fine cup of tea and luscious freshly-made cakes, scones and delicate tea sandwiches as you plan for a day in Casablanca, Alexandria or Athens. Our gracious *Maggiordomi* are trained to the standards of the prestigious International Butler Academy in the Netherlands, and are dedicated to ensuring ease and well-being throughout your stay.

DISCOVER WHAT

GIORNI DELIZIOSI – DELICIOUS DAYS – ARE MADE OF

As an MSC Yacht Club guest you can savor an exclusive array of dining choices. Perhaps the day begins with your Butler serving fresh melon, berries and warm croissants on your veranda. In the Top Sail Lounge or by The One Pool, enjoy all-inclusive gourmet treats, appetizers, salads and homemade gelato – plus a selection of wine, spirits, soft drinks and specialty coffees. You can also order from a special 24-hour MSC Yacht Club menu, served by your Butler in the privacy of your suite. When evening arrives we invite you to dine in L'Étoile on MSC *Fantasia* and L'Olivo on MSC *Splendida*, both reserved exclusively for MSC Yacht Club guests morning, noon and night. Here, you may be tempted by flambéed shellfish bisque, champagne risotto and rack of lamb in a pistachio crust. And for dessert, perhaps raspberry *crème brûlée* or heavenly *tiramisú* from our homeland of Italy – the perfect ending from our talented European-trained chefs. After live music and theater, indulge in a nightcap, such as a martini or cosmopolitan, with a gourmet midnight snack served by Butlers in the Top Sail Lounge. *Questa é la vita* – this is the life.
